Questions

A group of young women, likely a sports team, are posed for a photo. They are wearing red sleeveless athletic tops and shorts. The tops feature a white tiger head logo and the word "BRADEN" below it. One woman in the center is holding a large, ornate gold trophy. Another woman to her right is holding a smaller trophy. The background shows a wooden structure with a large arched opening, and other people are visible in the distance. The overall scene is outdoors, possibly at a sports event.

Q & A  
Thank You!
